

HR WINTER WARMER FROM PEOPLE BUSINESS

Want to get good quality advice but worried about the cost?
Got loads of guides but need some help in making changes happen?

New "credit crunch" HR Service

In addition to the many services we currently offer to individual clients, we have introduced a different approach focused on providing interactive, practical, and low cost HR support and solutions.

You will benefit from:

- Quarterly HR Masterclasses
- A summary of Employment Law changes in April and October each year
- A frank Q and A session

Why not come along to one of these sessions as a FREE taster?

- An hour of telephone support every month
- **An in depth HR Audit of your current HR practices with an action plan to improve**
- The opportunity to meet Business Owners from local companies experiencing similar people challenges

You will gain:

- Practical help from a team experienced in working with small and medium sized businesses
- Support for specific people issues
- Updates on employment legislation and how that affects you
- Current thinking and best practice guidelines on HR activities
- A comprehensive feedback report from the HR Audit detailing our findings and recommendations to help you to build a robust HR plan for your Company
- A new network of local Business people

All of the above is for an annual fee of £999.00 + VAT*

This option is available without the telephone advice for an annual fee of £699.00 + VAT*
